## Editorial

Congratulations to our cover star Poppy – the 10<sup>th</sup> Sheltie Agility Champion. Dorothy Foden's Mohnesee's Miss Chief was handled by husband Clive Foden to gain her CCs.

Apologies to Carol Wood for omitting her lovely tribute to her two veteran Shelties Hetty and Alley from the previous issue.

A perennial problem with our little darlings is that they love to hear the sound of their voices so you may be interested in the idea described on page 11 – stop your dogs barking by thanking them for barking! Not as strange as it sounds and could be well worth a try. If any of you give it a go, please let me know how you get on. It's nice to have feedback from you, the members.

*Enjoy your Shelties!*

*Trisha Harding*

## CRUFTS 2016

Many of you will be competing at Crufts for yourselves or in teams in the activities that are held. The Working Section likes to put the results on our website and in 'SAW', as well as getting them put into 'Dog World' and 'Our Dogs'. This is extremely difficult as the sites that we look at for the results are not always correct and miss some things out altogether. **SO PLEASE PLEASE** let me know within a week if you have got a 1<sup>st</sup> – 6<sup>th</sup> place so our records are correct and up to date. Otherwise you could get missed off the list.

Congratulations on getting to Crufts.

Good Luck, but most of all enjoy your day.

Lesley Lubbi, Secretary

## **Obituary – Christine Harrison**

Mrs Christine Harrison sadly passed away in September. She was eighty-six and very healthy right up to the end when she passed away having had a stroke.

I am a friend of the family, and we shared a hobby with our dogs – dog agility, which she did really well at. She still had one Sheltie left called ‘Badger’ who I have taken under my wing until the end of his days. He will be eleven in January, and he has settled down on our farm with my three Border Collies. Badger is loved by everyone, as was his owner Christine.

Jan Linch

## Obituary – Pam Albrow

Pam Albrow had been a member of the Working Section from almost its start, and many of you will have seen Pam with her Sheltie at Obedience and Agility Shows. Not only did Pam compete, she always found time to help us out. Doing the refreshments at our Sheltie Camps, the soup was a legend. Keeping the scoreboard in apple pie order at our Agility Shows, which Pam also ran for many years.

As well as being a very important member of our Committee, Pam was also President of Thames Dog Training Club, so was very active in the dog world, and will be missed by many. Our condolences go to Pam's family at this very sad time.

## Obituary – Hetty and Alley

Pixham Pretty Lady CDex      25.6.99 – 8.5.14

Jingaling of Janetstown CDex 14.6.97 – 8.5.14

I had to say goodbye to both my Shelties on the same day 8<sup>th</sup> May 2014. Alley, Jingaling of Janetstown CDex, at almost 17 years of age, and her daughter Hetty, Pixham Pretty Lady CDex, just a few weeks short of her 15<sup>th</sup> birthday. They have never been apart and are not apart now.

We had a wonderful life together experiencing Working Trials, Agility, Obedience and Breed with some success in each discipline. They were ready, willing and excited to try anything, such a joy to work and live with. What beautiful versatile little dogs Shetland Sheepdogs are, and they can read you like a book.

They both won the Working Trials Shield more than once and Alley won the Dual Purpose Shield several times, and they were also “Calendar Girls” in two different Sheltie calendars.

I can only say “thank you” to them for being mine – sharing such love and companionship. They leave a big hole in my life – missing the cuddles and affectionate nudges.

Carol Wood

## **Rally**

I have not had a lot of feedback on achievements in this new discipline, but Rhoda Burdett has told me that she and Brodie, Chandling Ebony Charge AW(G) have gained their Level 2 Ex title.

Jean Tuck has sent me details of the results that people have sent her. She says Matthew Burdett and Mountland Made in Heaven has started out at Level 1.

At level 2 is Sue Coulstock and Dukeson It's Aladdin at Lynscot.

At Level 3 now is Rhoda Burdett with Brodie.

At Level 4 is Pat Townsend 's Dellaph Skeroq Skedarcey.

At Level 5 is Lynne Moulson's Garmarti Inspiration, Karen Marek's Mohnesee's Man on a Mission, Christine Graham's Shadoway Game of Chance and Lynne Moulson's Garmarti Genial Genie who won Level 4 at Banbury show on her way to gaining her RL4ex title.

Of her own experiences Jean writes:

"After a Rally taster day at the end of January, plus some speedy training, we did our first Rally Show at the Midlands Border Collie Club Show on Easter Monday. Both Scott (Myndoc Minstrel for Craygill AW(G)) and Glen (Ag.Ch. Japaro Cool Jazz at Craygill) gained excellent scores in their Level 1 & 2 classes, and Scott managed a 4<sup>th</sup> place in Level 1.

The next weekend saw us in Anglesey. Both gained their RL1ex titles, rosettes included 1<sup>st</sup> for Scott and 2<sup>nd</sup> for Glen at Level 2, Scott gained RL2ex and Glen reached RL2. With one last show, Hatchford Brook, already entered, this third show gave Glen the last “ex” to make his title RL2ex. (Scott already had his).

In August both gained a second Level 5 qualifier and Glen also had a 5<sup>th</sup> at Level 6 which completed his RL5 title and moved him up to Level 6.

Rally is a very suitable sport for Shelties – I hope others will decide to have a go, and hopefully join our Rally League.”

Jean Tuck and Scott competing in L4ex Rally at Nuneaton

I am sure as Rally competitions increase across the country more people will send me details of their achievements.

Please send news of your achievements, big or small, to me:

## Agility Champion Mohnesee's Miss Chief

On May 2nd 2015 Poppy (Mohnesee's Miss Chief) made it to become an Agility Champion. At Woodside Show in Biggar she beat the other 41 competitors and won her 3rd Challenge Certificate. The courses were tricky with some long runs to show her 'go ahead' skills which help Clive.

Then, to our surprise, the following fortnight she won her 4th C.C. at the SKC show at Ingliston as a bonus. We are very proud of her especially as she won't be 5 years old till the end of August.

It was lovely and unexpected to receive a trophy in the shape of an 'A' frame and a congratulations card from the Working Section of the Sheltie Club to commemorate gaining her title. They will be treasured.

We would also like to thank the Committee for the 'Good Luck' card that we received as Clive and Poppy get ready to take on "The Worlds" in October. We were quite humbled to be thought of by yourselves. It was a very kind gesture. Thank you so much.

Dorothy & Clive Foden

## **How to Get Your Dog to Stop Barking – by thanking him for barking !**

Don't mind your dog giving a woof or two when people or vehicles pass or approach the house – but want him to stop when you've got the message?

First, temporarily block access to the window or door where your dog tends to bark.

Next, train a cue that for you means "That'll do" – but for the dog means "Hey, I have something really delicious for you over here." My suggestion: "Thanks!"

Start far away from the window. Stand right in front of your dog. Give the cue, followed immediately by a click and a small, soft, meaty treat right in front of you.

When the dog starts to brighten up at the cue – before the treat even comes out – move to the side, so he has to turn to you to get the treat. When he starts turning, switch to clicking the turn.

When the dog is turning quickly, move a few steps away and switch to clicking movement in your direction. Work up to having the dog follow or chase you into another room to get the treat. If you have a dog that loves to chase, this can be an extra reward. Click when your dog has found you in the other room.

Move to the window or door where the dog usually barks. Get in some good practice when nothing's happening outside. Then stand close to the dog again, wait for vehicles or passers-by, and give the cue the instant your dog begins to bark.

When he's responding well, give the cue from farther away, increasing your distance a few steps at a time.

Remember that your cue will reinforce whatever comes just before it. Be sure you cue the dog after just a single woof or two at most.

Your goal is for the dog to come away from the window to find you on the "thanks" cue. When you've accomplished that, try skipping the cue. Your dog may come to see why you haven't thanked him yet! If that happens, reinforce him for coming to find you. Keep it up and your dog may begin to skip the barking altogether.

#### **Judges: Gerard Paisley and Jane Sutherland**

Thank you to Lesley and Peter for inviting us to judge. We both enjoyed our day and look forward to seeing some of the teams at Obedience shows.

Super surroundings in this purpose built facility with two large indoor rings. We were very well looked after by the club with a great lunch adjacent to the show rings.

We were very well assisted by Brenda Troth stewarding for Jane and Betty Gibson stewarding for Gerard's classes, doing excellent work.

All the competitors were prompt, cheerful and worked their dogs positively.

# **Sheltie Obedience Training Day**

**Saturday 7th November 2015**

**Trainer: Sarah Delany**

**Grazeley Village Hall, Church Lane, Grazeley, Reading, RG7 1LD**

Those of you who work in Obedience will know Sarah and some of you may remember the inspiring Sheltie Camp several years ago at which Sarah and her mother Barbara were the trainers.

There is a full description of Sarah's achievements in Obedience in the spring issue of "SAW", but to sum up she has been competing in Obedience since 1989, and has qualified four dogs for Ticket, three Groenendaels and a Collie, with two of the Groens becoming Obedience Champions, and has competed as part of the winning England World Cup team in 2009.

She also judges up to and including Championship 'C' and currently trains seven Ticket handlers (4 with BCs, 2 with Goldies and 1 with a Groenendael) as well as several Shelties working at different levels. She says "I love training the other breeds as well as the Collies and I think it helps that I have trained both up to Ticket level as they are very different in their attitudes."

Training will cover all standards and will start at 9.00 a.m. and will last until 5.00 p.m. with an hour break for lunch. There will also be short coffee breaks during the morning and afternoon. Teas and coffees will be provided but please bring a packed lunch with you.

The cost of the training is

Dog and Handler £30 for Section Members £35 for Non Members

Spectators £15 for Section Members £20 for Non Members

## Our Rally Adventures

My wonderful Brodie (Chandlering Ebony Charge) and I love doing Agility and we have also lightly dabbled in Obedience and showing. He loves learning new things so I was looking for a class that I could take him to that gave him the mental stimulation and a chance to have some 'Mum time' without the other dogs around.

We started to attend Rally classes in January this year and we are lucky that fellow Sheltie owner Lynne Moulson is our trainer at 'Ace of Dogs Club'. Brodie took to Rally straight away so it was more of a question of me learning the different signs and teaching Brodie a couple of new moves including a 'finish right'. To begin with I was surprised how close together all of the signs are in a course. It seems to keep the dogs really interested though, as there isn't time for them to get distracted and switch off between exercises. The signs are all on the Kennel Club website so it is easy to learn them all and nice to be able to practice at home!

Being brave we entered our first competition at the end of May in Levels 1 and 2 (there are six levels in total). You can compete for the level you are eligible for and the next one up. Marks are deducted from 200 (210 if you do the optional 10 point bonus) for things like tight leads, lack of attention, barking and jumping up. Scores over 170 are qualifying scores and three qualifying scores under different judges move you up a level. Levels 1 and 2 are both done on lead which is fantastic for building both dog and handler confidence!

Our first competition was a great day out, everyone was very friendly and helpful and Brodie just loved strutting his stuff! The judges generally give you a bit of feedback after your round and were very positive and encouraging. Brodie ended up with 4th in Level 2 (204) and 6th in Level 1 (198) despite some very enthusiastic bouncing! We have since done another three competitions and Brodie has managed to win up to Level 3 so will be working off lead at his next show. He has come away with an excellent score (over 190) and a placing in every class so far. He now has the title RL2.Ex after his name!

The Working Section are now running a Rally and Heelwork to Music League so it would be lovely to see lots of people submitting their points. Shelties are very versatile little dogs and I'm excited that I have found an activity that my boy loves as much as Agility!

# Rally Training Day

Saturday 21st November 2015

Trainers: Lynne Moulson & Karen Marek

Grazeley Village Hall, Church Lane, Grazeley, Reading, RG7 1LD

Rally is the latest discipline for dogs that has been recognised by the Kennel Club. It involves working your dog around a numbered course of obedience-based exercises. There are six levels and each dog and handler team start at Level 1, which is performed on lead. Levels 3 to 6 are performed off lead. It is designed to be fun, yet still offering challenges, especially at the higher levels.

There are 30 exercises at Level 1 and these are the foundation for progression. In competition, you enter the ring with 200 points and the course is timed. Deductions are made for any faults, (e.g. tight lead) and in the event of a tie on points, the fastest time wins. A qualifying round is 170 points or more and three qualifying rounds take you up to the next level.

Some examples of exercises are shown below: -

The trainers will be Lynne Moulson and Karen Marek.

Lynne has had Shelties for nearly thirty years and has a background of Agility and Heelwork to Music. Rally was taken up to help improve the focus with one of those Shelties - Tiffy - and liking it so much, they went on to compete. Tiffy excelled herself at her first Level 3 trial and achieved first place with a perfect score. Now looking to achieve their final qualifier at Level 3, they are looking forward to the challenges of competing at Level 4 and training for Levels 5 and 6. Another dog that Lynne works is Katie, who only started competing in 2014, but has steadily worked through Levels 1 and 2, achieving a placed rosette each time and will start 2015 at Level 3. Lynne also teaches Rally to members of the Agility club where she trains and a few of the people have gone on to compete successfully.

Karen has had Shelties for many years and competed in Obedience with her late Sheltie, Harry, and then Pippin. Rally was taken up as a change to Obedience, in which Pippin has excelled in 2014, not only qualifying but gaining first place on four consecutive Rally trials. Pippin and Karen are looking to achieve their last Level 3 and qualify Level 4's in 2015, whilst training for Levels 5 and 6. Karen is also training her latest Sheltie - Toby - who may be ready for a trial late in 2015.

Alongside learning about Rally, the training day will revolve around having fun with your Shelties. So please bring tasty treats and/or a toy for your dogs.

The training will start at 9.30 a.m. and will last until 5.00 p.m. with an hour break for lunch. There will also be short coffee breaks during the morning and afternoon. Teas and coffees will be provided but please bring a packed lunch with you.

Grazeley Village Hall is easily reachable by car from A33, the Basingstoke Road. M4 J11 For sat nav, use post code RG7 1LD

## New Leagues for Rally and HTM

At the 2015 AGM it was decided to trial leagues for both Rally and HTM along the lines of the Agility and Obedience leagues already existing for Working Section members. After consultation with some knowledgeable folks in the two sports, plus the Committee, a scheme was drawn up and a website created. The link to this can be found on [www.esscworkingsection.co.uk](http://www.esscworkingsection.co.uk) under both Rally & HTM – please do have a look!

Please tell your Sheltie friends who don't yet belong the Working Section – the leagues are for ESSC and Working Section members, and membership of the latter is very good value for entry into all leagues plus this lovely magazine.

The **HTM league** is divided up into eight, with separate sub-leagues for each of Starters, Novice, Intermediate, and Advanced, at each of HTM and Freestyle. Points are gained for places 1 to 6. You can submit your results for all places gained at KC HTM shows. At the 2016 AGM rosettes will be given to 3rd place in each of the eight sub-leagues! As, sadly, no one has yet joined this league anyone who does so is going to be in with an excellent chance of success!! Claims can be made up to 12 weeks from a show.

The **Rally league** is divided into the 6 Rally levels, with points given for qualifying scores, for excellent scores, and for places where gained. Just as you can compete in two levels at any show, so you can get league points for two levels too. As you move up in Rally you can then get points in higher levels of the league. We have had good interest so far this year, but there aren't many shows left for 2015 now. Hopefully we can gain more members, both to the league and to the Section itself in order to join the league. There is still time to join as claims can be made up to 12 weeks after a show. Even if you've missed taking part in the lower levels, you will be competitive at your current level so it is worth a go. At the 2016 AGM rosettes will be given to 3rd place in each level!

On a personal note: when I offered to do the league website I hadn't started Rally, but embarrassingly my 'Scott' has shown unexpected talent. Please don't let him have it all his own way...

## **Book Review**

### **“Teach Your Herding Breed to Be a Great Companion Dog, from Obsessive to Outstanding”**

**by Dawn Antoniak-Mitchell**

**Paperback, Dogwise Publishing, USA**

Herding breed dogs have very strong instinctive behaviours to do the work they were bred for, but when these dogs are kept in a home environment these behaviours can manifest themselves in a number of undesirable ways. These include chasing cars, bicycles and joggers, herding children, nipping heels (her Majesty's footmen can confirm this!), barking and acting as “fun police”.

Fortunately these instincts can be redirected in a number of ways that keep these energetic dogs busy and happy as well as out of trouble. In this book Dawn Antoniak-Mitchell offers solutions to solving and preventing problem behaviours associated with herding breeds living in the modern world – without having to buy your Shelties a farm!

This is the first book I have seen that mentions the fact that German Shepherds work by patrolling the flock and do not round it up. So full marks for that! As a lifelong GSD owner (with the occasional Sheltie) I had high hopes for the rest of the book, but after the introductory chapter the drovers, heelers and patrollers seemed to be neglected and the suggestions and exercises were geared towards the requirements of the herders that work by rounding-up – in particular the Border Collie (which was featured in almost all of the photos). So although all the content was sensible and well-presented, that was disappointing.

A German Shepherd is very different to a Border Collie is very different to a Corgi is very different to a Sheltie..... For example, when learning something new, a typical GSD will stop and think to work something out, while a BC will usually keep moving and offering variations to try to get it right. And Shelties are different again!

So to sum up: an excellent book if you have a breed that rounds up such as a BC or Working Sheepdog and plenty of useful ideas for Sheltie owners. Less use for other types of herding breeds.

## ESSC Working Section Trophies

1. All trophies are for points gained during the calendar year **AT KENNEL CLUB LICENSED SHOWS ONLY** and will be presented at the Working Section's AGM in February. It is important for trophies to be returned for the AGM (cleaned where appropriate). If members cannot attend the AGM to collect their awards, they will not be sent the trophy, unless they pay the cost of postage.
2. Trophies are available only to paid-up members of the ESSC who subscribe to "Sheltie at Work", with the exception of the Lonicera Shield, Javis Plate and the Knight Trophy. If you are a parent and your children are competing, they must also be members.
3. All applications for awards must be submitted to the Trophy Secretary by **6th February** (postmark).
4. Where a dog is owned in partnership, each member of the partnership must be a member of the ESSC and the Working Section at the time of entering shows. The dog must be entered in joint names at all shows.
5. For Obedience and/or Agility classes if a dog is handled by a person other than the owner(s), each handler must separately submit their points for the dog, provided they are members of the ESSC and subscribe to "Sheltie at Work", with the exception of the Stornaway Dual Purpose Trophy.
6. Send in your points for all of the disciplines, no matter how few you have, and do not forget to include any places from Restricted Classes from shows arranged by any Shetland Sheepdog Club.

Claims for the Tony Seys Trophy are worked out by the Trophy Secretary, as everyone is eligible for this award.

**Claims will only be accepted on the proper forms (or photocopies). Please use a separate form for each Sheltie.**

**When requesting forms, please state which discipline(s) you are claiming for.**

Forms can be downloaded from the Working Section website **[www.esscworkingsection.co.uk](http://www.esscworkingsection.co.uk)** under "AGM" or by sending a S.A.E. (at least 8½" x 4½" or 22 x 11 cm) to our Trophy Secretary:

Mrs Rhoda Burdett, 33 Downedge, Redbourn, Herts., AL3 7JR
